

## Refund Policy Statement

To ensure our organisation is in line with UK Government Laws, Graveyard Store, in this document, outlines our refund policy for any customer(s) not satisfied with any goods sold through Graveyard Store' online store that are faulty, wrong order placed or for goods listed, with wrong description. For more information on refunds and returns and your customer rights, please refer to the [.gov website](#). Please note the following:

We don't have to refund a customer(s) if:

- You knew an item was faulty when they bought it
- You damaged an item by trying to repair it themselves or getting someone else to do it (though they may still have the right to a repair, replacement or partial refund)
- You no longer want an item (e.g. because it's the wrong size or colour) unless they bought it without seeing it

We must offer a refund for certain items only if they're faulty, e.g.:

- Personalised items and custom-made items, e.g. curtains
- Perishable items, e.g. frozen food or flowers
- Newspapers and magazines
- Unwrapped CDs, DVDs and computer software

## Online Sales

Online customer(s) have the right to cancel for a limited time even if the goods aren't faulty. Sales of this kind are known as '[distance selling](#)'.

Graveyard Store offers a refund to customer(s), providing they return goods within 14 days of receiving them. Please use original packaging, with our address attached to the cover. Customer(s) will need to pay for post and/or packaging (If new packaging is needed), however we will refund expenses with your refund.

Graveyard Store will refund the customer(s) within 14 days of receiving the goods back. Customer(s) don't have to provide a reason, however, a reason is HIGHLY recommended and will help to speed up the refund process.

## Repairs and replacements

If a customer has 'accepted' an item, but later discovers a fault, Graveyard Store may repair or replace it. Customer(s) can still reject the item after it's been repaired or replaced.

Customer(s) have accepted an item if they've:

- Told you they've accepted it (having had enough opportunity to inspect the item before confirming they've received it)
- Altered the item

Graveyard Store will repair if a customer(s) returns it within 6 months - unless we can prove it wasn't faulty when the customer(s) bought it.

Graveyard Store will ask a customer(s) to prove an item was faulty when they bought it, if they ask for a repair or replacement after 6 months. Once an order has been dispatched, we will include in the email to contact us on the goods state upon delivery.

### **Warranties and guarantees**

Customer(s) has the same right to free repairs or a replacement regardless of whether they have a warranty or guarantee or not. Graveyard Store may still have to repair or replace goods if a customer's warranty or guarantee has run out, however, please be aware that Graveyard Store does not issue any warranties or guarantees with our non-technology goods.

### **Proof of purchase**

Graveyard Store will ask customer(s) for proof that they bought an item from us. This could be a sales receipt/order number or other evidence such as a bank statement or packaging.

### **Items returned by someone other than the buyer**

Unfortunately, we can only accept returns and give refunds from the buyer. Unless proof is provided, only the buyer can return goods and ask for a refund.

Below are the details all our refund policies.

- 1) Refunds can only be given for any product or service up to 14 days of transaction. If any customer is deemed unhappy with their product or service and would like a refund (if they are within the 14 days period) they would need to provide proof of their purchase and a valid reason why (receipts, invoice, order number, etc...). Once they provide us with the necessary details they will be refunded immediately. We will also require the customer to provide us with feedback on our service and products. This will help us to put right anything that needs correcting. We regret that no refunds can be given once a customer has seen their product and is happy to process payment for it. **WE CAN NOT REFUND ANY PRODUCT, BECAUSE THE CUSTOMER NO LONGER WANTS IT.** Graveyard Store requires all customers to approve of their order before finalising any payments.
- 2) Graveyard Store will not be held responsible for any computer files that do not open correctly in certain operating systems. We do not promise all our files

will work in all operating systems. If this is the case, you will be entitled to a refund – if proof of purchase is provided and evidence of the file not working.

- 3) No refunds will be given on music or video downloads. All purchases are final. On our website, we have previews of our songs and videos, so you can view before you buy.
